Who we are

Vox Communications, LLC is a digital content marketing firm. Since 2008, Vox has helped more than 150 brands, businesses, celebrities, and non-profits connect with their target audience online. By using a combination of powerful software programs and talented US-based individuals Vox is far more efficient and effective than an in-house solution. Our team includes:

- Public relations representitives
- Graphic design artists
- Web developers
- Writers
- Photographers
- Videographers

Where we start

Vox builds a firm foundation by:

- Selecting a proven and reliable hosting solution
- Building an industry specific mobile responsive website
- Applying universal branding to your social media networks
- Installing tracking codes
- Publishing compelling original content to your blog
- Pushing that content through your social media networks
- Monitoring engagement with your posts
- Growing your industry-specific online community
- Generating inbound email marketing leads
- Converting 'Likes' into emails, emails into customers, and customers in advocates who share their passion for your brand through their own social media networks

Vox helps you grow

Once your online foundation has been poured, Vox:

- Connects with both the leading voices in your industry as well as your target audience
- Uses Facebook/Instagram, Google/YouTube, Linked In, Pinterest, and Twitter to connect with the people already looking for your products and services
- Measures the performance of your campaigns directing budget to the ones that convert the most business
- Helps determine over time your CPA, (cost per customer acquisition)
- Establishes you as the authority in your field

Italian Marble Can Transform Any Home

April 27, 2015 by Team Suzanne

Los Angeles is famous for a lot of different things, and one of the biggest is certainly the abundance of <u>luxury homes</u> located throughout its borders. Homes here are stunning and lavish, and offer a tremendous range of amenities to help them stand out as something truly special. **Here at Suzanne Dranow we've seen firsthand just how important luxury is to those shopping for a high-end home in the city, and know that a lot of different things can help elevate a home.** One perfect example is Italian marble, and its presence in a home is something that is easy to appreciate. Frank Lloyd Wright Buildings Are A Big Part Of Los Angeles

April 24, 2015 by Team Suzanne

Reave a Comm

When people hear 'Los Angeles', they think of a number of different things. Chief among them are certainly the high quality luxury homes that are located throughout the city. Along with being the site of tremendous luxury homes, LA is also filled with many recognizable, iconic houses that are as famous as the city itself. Here at Suzanne Dranow, we feel that some of these houses are worth more attention, and none are as deserving as Frank Lloyd Wright buildings. [Read

Getting Shine With Wella Products

One of the biggest hair trends for 2015 is shine, and I love what Wella's products can do to increase the shine of your hair. One thing that is always important to remember when embracing shine is health, and you'll want to start with a nice healthy hair base before working on getting your best.

Naomi Watts And Lady Gaga Show Risk Reaps Reward On The 2015 Oscars Red Carpet

For the highly fashionable, the Oscar red carpet is a place not only to show personal style, but to take style risks, and two risks that really paid off for the 2015 Oscar season are the ones made by Lady Gaga and Naomi Watts. In both cases, unique shapes reigned supreme, and both accessories and ...

There are a number of reasons why tooth extractions are performed on patients at Community Dental Group. Granted, you may want to avoid having a tooth pulled and your dentist may do everything he or she can to save the tooth. However, in some cases, there is no other option and the tooth has to come out. We will usually perform a tooth extraction for one or more of the following reasons:
